中心句写完之后，我们如何扩展?

1. Many school children and students are taught to push themselves and try hard to be better than their classmates, rather than work for everyone's benefits. Do you think disadvantages of being trained to be competitive outweigh advantages?

中心句:

A 竞争意识强　B 只能不断学习，没有时间发展兴趣爱好　C 缺乏全面的发展

第二部分

论证方法 ① —— 因果（解释）论证

即通过前因后果的方式对中心句ABC做进一步解释

一般有三种方式：

a. 详细解释A和B之间的逻辑关系

b. 详细解释B和C之间的逻辑关系

c. 叙述一下C所带来的结果

用刚才做过的真题示例：

例1. **Many school children and students are taught to push themselves and try hard to be better than their classmates, rather than work for everyone's benefits. Do you think disadvantages of being trained to be competitive outweigh advantages?**

立场： 负面效果更多

中心句：

A 竞争意识强　B 只能不断学习，没有时间发展兴趣爱好　C 缺乏全面的发展

例1. Many school children and students are taught to push themselves and try hard to be better than their classmates, rather than work for everyone's benefits. Do you think disadvantages of being trained to be competitive outweigh advantages?

立场： 负面效果更多

对中心句进行因果论证：

中心句：

A 竞争意识强　B 只能不断学习，没有时间发展兴趣爱好　C 缺乏全面的发展

1. 第一种方法：

解释（A-B）：即进一步阐释A和B的逻辑关系，即详细解释为什么A会导致B

举例：因为（A 竞争意识太强）所以（**A-B：他们只关注考试**）导致（B 只能不断学习，没有时间发展兴趣爱好）

中心句：

A 竞争意识太强　B 只能不断学习，没有时间发展兴趣爱好　C 缺乏全面的发展

2. 第二种方法：

解释（B-C）：即进一步阐释B和C的逻辑关系，即详细解释为什么B会导致C

举例：因为（B只能不断学习，没有时间发展兴趣爱好），导致（**B-C：不能培养除了学习之外的能力**）导致（C 缺乏全面的发展）

中心句:

A 竞争意识太强　B 只能不断学习，没有时间发展兴趣爱好　C 缺乏全面的发展

3. 第三种方法

解释（C的结果）： 详细解释一下C会带来什么结果

举例： （C 缺乏全面的发展）导致 **生活充满压力，不知道用其他方式去解压**

主体段	
第一句：中心句ABC	A 竞争意识太强　　B 不断学习，没有时间发展兴趣爱好 C 缺乏全面发展
第二句：解释（A——B)	他们只关注考试
第三句：解释（B——C)	不能培养除了学习之外的能力
第四句：C的结果	生活充满压力，不知道用其他方式去解压

例2. Some people believe that a country benefits greatly with a high percentage of young people going to university, while others argue that it only leads to graduate unemployment. Discuss both views and give your opinion.

第一句（ABC）： The knowledge of college-educated workers can make a country's economy competitive because they have learned skills to improve productivity.

第二句（A—B）： By taking courses, these young people are able to learn how to use modern technology, equipment, and tools.

第三句（B—C）： Companies can provide products as well as services faster and increase customer satisfaction.

第四句（C的结果）： A country's economy can develop quickly and all people can enjoy an improvement in the standard of living.

例6：Some people believe that they should be able to keep all the money they earn and should not pay any tax to the state. To what extend do you agree or disagree?

主体二段：Levying taxes can regulate people ‘s behaviour.**(中心句)**

People fail to show self-restraint sometimes and cannot change some bad habits. For example, the heavy tax on cigarette and alcohol discourages people from spending on these items. This change can improve the well-being of people and ease the pressure on the medical system.

例6：Some people believe that they should be able to keep all the money they earn and should not pay any tax to the state. To what extend do you agree or disagree?

主体二段： Levying taxes can regulate people ‘s behaviour. **(中心句)**

People fail to show self-restraint sometimes and cannot change some bad habits. For example, the heavy tax on cigarette and alcohol discourages people from spending on these items. This change can improve the well-being of people and ease the pressure on the medical system.

主体二段：Levying taxes can **also** regulate people ‘s behaviour. **(中心句)** People fail to show self-restraint sometimes and cannot change some bad habits. For example, the heavy tax on cigarette and alcohol discourages people from spending on these items. This change can improve the well-being of people and ease the pressure on the medical system.

要点3：中心句要有连接词（决定了CC）

要点4：中心句要对应题目（决定了TR）

如果是Discuss both views的题目

主体段要加some people argue that/some people hold the view that

如果是Agree or Disagree/Positive or Negative题目

则不加

总结

中心句注意要点：

1. 中心句一定要和段落的**内容一致**（决定了Coherence and Cohesion）
2. 中心句要出现关键词或者关键词的**同义替换**（决定了Task Response）
3. 中心句要有**连接词**（决定了Coherence and Cohesion）
4. 中心句要**对应题目**（决定了Task Response）

第一句（ABC）： The knowledge of college-educated workers can make a country's economy competitive because they have learned skills to improve productivity.

第二句（A—B）： By taking courses, these young people are able to learn how to use modern technology, equipment, and tools.

第三句（B—C）： Companies can provide products as well as services faster and increase customer satisfaction.

第四句（C的结果）： A country's economy can develop quickly and all people can enjoy an improvement in the standard of living.

第一句（ABC）：To begin with, some people argue that the knowledge of college-educated workers can make a country's economy competitive because they have learned skills to improve productivity.

第二句（A—B）： By taking **university** courses, these young people are able to learn how to use modern technology, equipment, and tools **which enhance efficiency.**

第三句（B—C）: This means that companies **recruiting these people** can provide products as well as services faster and increase customer satisfaction, **thereby winning more orders.**

第四句（C的结果）: As companies make more profits, a country's economy can develop quickly and all people can enjoy an improvement in the standard of living.

第一句（ABC）： ① **To begin with**, some people argue that the knowledge of college-educated workers can make a country's economy competitive because they have learned skills to improve productivity.

第二句（A——B）: ② **By taking university courses**, these young people are able to learn how to use modern technology, equipment, and tools ③ **which** enhance efficiency.

第三句（B——C）: ④ **This means that** companies recruiting ⑤ **these people** can provide products as well as services faster and increase customer satisfaction, ① **thereby** winning more orders.

第四句（C的结果）: ② **As companies make more profits,** a country's economy can develop quickly and all people can enjoy an improvement in the standard of living.

句间连接方式 总结

① 方法一：连接词

连接词是最熟悉的一种连接方法，常用的连接词如下所示：

表示因果：because, because of, since, as, therefore，thereby, thus，as a consequence，consequently，as a result of this

表并列：in addition，besides，furthermore，moreover，also

表示转折和对比：however, nevertheless, yet, on the other hand，by contrast，conversely

② 方法二：状语从句

引导状语从句的 because，since，as，if，when，so 能展示句子的逻辑关系

例如：

1. As companies make more profits, a country's economy can develop quickly.

2. If they choose to delay retirement, their presence in the workforce can influence companies' productivity

③ 方法三：定语从句

例如： which enhance efficiency.

④ 方法四：一些名词性从句

例如：this means that，the consequence is that，due to the fact that, this is because等

⑤ 方法五：代词 they，this，their等

代词也是避免重复的一种重要手段

例： Some people think cheap air travel brings us benefits while others believe that non-essential flights should be cut in order to reduce environmental problems caused by cheap air travel. Discuss both views and give your own opinion.

例2 **Many school children and students are taught to push themselves and try hard to be better than their classmates, rather than work for everyone's benefits. Do you think disadvantages of being trained to be competitive outweigh advantages?**

主体段	
第一句：中心句ABC	A 竞争意识太强　B 不断学习，没有时间发展兴趣爱好　C 缺乏全面发展
第二句：解释（A—B）	他们只关注考试
第三句：解释（B—C）	他们不能培养除了学习之外的能力
第四句：C的结果	生活充满压力，不知道用其他方式去解压

主体段	
第一句： **中心句ABC**	A 竞争意识太强　　B 不断学习，没有时间发展兴趣爱好　　C 缺乏全面发展
第二句： **解释（A—B）**	他们只关注考试
第三句： **解释（B—C）**	他们不能培养除了学习之外的能力
第四句： **C的结果**	生活充满压力，不知道用其他方式去解压

第一句（ABC）：Another problem of fostering a sense of competition is that children will not become well-rounded individuals **because** they spend long hours studying rather than pursuing hobbies.

第二句（A—B）: They pay close attention to those standardised tests,

第三句（B—C）: which makes it less possible for them to develop skills other than intellectual ones.

第四句（C的结果）: These students will have difficulty in managing stress in adult life **because** they have no idea how to release stress in different ways.

例3 **Teachers should be paid as much as doctors, lawyers or business leaders. Do you agree or disagree with this statement ?**

第二句：解释（A—B)	老师工资是很大一部分教育成本 This is because …
第三句：解释（B—C)	高教育成本会使学校提高学费
第四句：C的结果	穷学生选择就业，放弃学业 Therefore, …

词汇提示：

higher teacher salaries, cost of education, make it less affordable/impose heavy burden on, expense, budget, tuition(学费), students from less financial able families, quit school, continue education

例3 **Teachers should be paid as much as doctors, lawyers or business leaders. Do you agree or disagree with this statement ?**

主体第一段	
第一句： **中心句ABC**	A 老师工资高　B 教育成本高　C 学生负担重 Firstly, it is obvious that
第二句： **解释（A—B）**	老师工资是很大一部分教育成本 This is because
第三句： **解释（B—C）**	高教育成本会使学校提高学费
第四句： **C的结果**	穷学生选择就业，放弃学业 Therefore,

第一句（ABC）：Firstly, it is obvious that higher teacher salaries will **cause** the cost of education to increase, making it less affordable for students.

第二句（A—B）: This is because teacher salary is the highest expense in a school’s budget,

第三句（B—C）: and this will result in considerable raises in tuition.

第四句（C的结果）: Therefore, students that come from less financial able families may decide to quit school in favor of getting a job, rather than continuing their education.

注：并不是所有的段落都能全用上三种方法，视情况而定

例4. **Some people think that in the modern society individuals are becoming more dependent on each other, while others say that individuals are becoming more independent of each other. Discuss both views and give your own opinion.**

第三句：解释（B——C）	

主体段	
第一句： **中心句ABC**	A现代科技发展　　B自己可以通过科技解决问题　　C更独立
第二句： **解释（A—B）**	科技使人们找信息和解决办法更容易
第三句： **解释（B—C）**	有很多的工具和软件可以让他们完成工作而不需要其他人的帮助

转化为英文:

第一句（ABC)：On the other hand, some people argue that modern technology has made us independent because it enables us to solve problems individually.

第二句（A—B)：This due to the fact that it is easy for us to do Internet searches to gain information and find solutions of problems.

第三句（B—C)：Meanwhile, they have numerous tools and computer programmes available online, and they are able to complete tasks without turning to others for help.
